

Christian Messmacher

Vice President – Investor Relations
EVRAZ North America

Christian Messmacher joined EVRAZ North America in September 2011 as Strategy Director – Long Products. He was named Vice President – Investor Relations in 2014.

During his tenure, Messmacher has led a number of initiatives. He developed and implemented the operational improvement strategy for the company's Canadian oil country tubular business and developed business strategies for the rail, wire rod and flat products businesses.

Prior to EVRAZ, Messmacher was a consultant with Booz and Company, a global management consulting firm, where he worked with Fortune 500 companies across a wide range of business segments including steel, heavy equipment, pharmaceuticals, and specialty chemicals. He also has over 15 years of experience in general and operations management for global manufacturing companies.

Messmacher holds a master's degree in business administration from the J.L. Kellogg School of Management at Northwestern University, and a bachelor's degree in mechanical and industrial engineering from the Instituto Tecnológico y de Estudios Superiores de Monterrey.

About EVRAZ

EVRAZ North America (the "Company") is a wholly owned subsidiary of EVRAZ plc, one of the largest vertically integrated steel and mining businesses in the world. The Company is a leading North American producer of engineered steel products for rail, energy and industrial end markets. The Company has six production sites located in the USA (Portland, Oregon; Pueblo, Colorado) and Canada (Regina, Saskatchewan; Calgary, Camrose and Red Deer, Alberta).
