

Conrad Winkler

President and Chief Executive Officer
EVRAZ North America

Conrad Winkler joined EVRAZ North America in April 2011 as Executive Vice President of the Long Products business and was named President and CEO in July 2013. He is also a member of the American Iron and Steel Institute's Board of Directors.

Before joining EVRAZ, Winkler was Vice President and Partner for global management consulting firm Booz & Company. Winkler spent more than 15 years at Booz, primarily in manufacturing focused industries. He also served in the United States Navy as a nuclear submarine officer.

Winkler holds master's degrees in business administration and management of manufacturing from Northwestern University's Kellogg Graduate School of Management and Robert McCormick School of Engineering, and a bachelor's degree in mechanical engineering from the Massachusetts Institute of Technology.

About EVRAZ

EVRAZ North America (the "Company") is a wholly owned subsidiary of EVRAZ plc, one of the largest vertically integrated steel and mining businesses in the world. The Company is a leading North American producer of engineered steel products for rail, energy and industrial end markets. The Company has six production sites located in the USA (Portland, Oregon; Pueblo, Colorado) and Canada (Regina, Saskatchewan; Calgary, Camrose and Red Deer, Alberta).
