

John Zanieski

**Executive Vice President – Flat Products and Recycling
EVRAZ North America**

John Zanieski joined EVRAZ in 2011. He leads sales and manufacturing for Flat Products, as well as Recycling which feeds the company's flat, long and tubular businesses.

Zanieski has more than 25 years of professional experience with both public and private companies. Prior to EVRAZ, he was General Manager and Vice President – West Coast Operations for Precision Castparts Corp. He also served as Vice President – Global Supply Chain for Tyco Electrical and Metal Products.

Zanieski holds a master's degree in business administration from the University of Pennsylvania Wharton School and a bachelor's degree in economics and political science from Yale University.

About EVRAZ

EVRAZ North America (the "Company") is a wholly owned subsidiary of EVRAZ plc, one of the largest vertically integrated steel and mining businesses in the world. The Company is a leading North American producer of engineered steel products for rail, energy and industrial end markets. The Company has six production sites located in the USA (Portland, Oregon; Pueblo, Colorado) and Canada (Regina, Saskatchewan; Calgary, Camrose and Red Deer, Alberta).
