

Patrick Christie

Vice President – Health, Safety and Environmental
EVRAZ North America

Pat Christie joined EVRAZ in 2013 as Vice President – Health, Safety and Environmental.

Before coming to EVRAZ, Christie was HSE director for Precision Cast Corporation’s Special Metals Division. He also led safety efforts at Bucyrus International, Chrysler and Daimler Chrysler, Armstrong Air Conditioning and Birmingham Steel.

Christie holds a bachelor’s degree in safety management from Indiana State University and is a Certified Safety Professional.

About EVRAZ

EVRAZ North America (the “Company”) is a wholly owned subsidiary of EVRAZ plc, one of the largest vertically integrated steel and mining businesses in the world. The Company is a leading North American producer of engineered steel products for rail, energy and industrial end markets. The Company has six production sites located in the USA (Portland, Oregon; Pueblo, Colorado) and Canada (Regina, Saskatchewan; Calgary, Camrose and Red Deer, Alberta).
