

JANUARY 24TH, 2017 FOR IMMEDIATE RELEASE

(Chicago, IL): EVRAZ North America applauds the Trump administration for advancing the Keystone XL and Dakota Access pipelines. As the North American leader in large diameter pipe production with assets in the United States and Canada, we look forward to working with our customers and the Administration to make these projects a reality.

About EVRAZ

EVRAZ North America plc (the Company) is a wholly owned subsidiary of EVRAZ plc, one of the largest vertically integrated steel and mining businesses in the world. The Company is a leading North American producer of engineered steel products for rail, energy and industrial end markets. The Company has six production sites located in the USA (Portland, Oregon; Pueblo, Colorado) and Canada (Regina, Saskatchewan; Calgary, Camrose and Red Deer, Alberta).
