

EVRAZ NORTH AMERICA PLC ANNOUNCES PURCHASE OF PRODUCTION ASSETS FROM WESTERN CANADA MACHINING

CHICAGO (June 1, 2017) – EVRAZ North America plc (the “Company”) announced today that its subsidiary Evraz Inc Canada has acquired substantially all the production assets of Western Canada Machining Inc (WCM), a high-volume API couplings producer located in Edmonton, Canada.

“We are excited to add coupling manufacturing capabilities to our portfolio of OCTG operations in Western Canada and welcome the former employees of WCM into the EVRAZ team” said Allan Harapiak Vice President of Tubular Operations for EVRAZ North America. “We also look forward to continuing the working relationship with the diverse group of suppliers and customers that have helped make WCM a successful company” said Harapiak.
